# MALVIDES

DIVER PACKAGE

## Luxury, Diving & Wellness

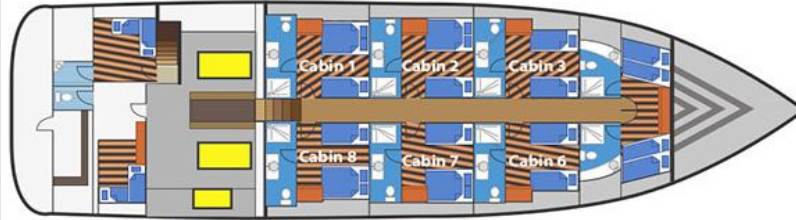

---

Back in 2004, the Maldives did not offer many boats of such comfort and standards as to represent an alternative to the islands resorts also for those who did not engage in diving activities.

### *MD1*

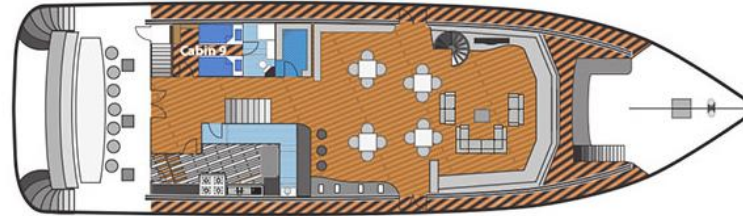

With the launch of MD1, the concept of a cruise combining the rejuvenating wellbeing of the Maldivian sea and scenery with the wellbeing of an onboard Ayurveda center was born and in terms of Maldives cruises a totally new trend was set. Thanks to its increasingly refined cuisine, the staff that was raised with the boat, and customer service class and attention to detail, MD1 has become one of the best known and most loved yacht among those who for years have not been able to do without regular visits to the Maldives to discover with us what these islands have to offer, both above and below the sea surface.
